# ORDERING INSTRUCTION MANUAL

(Not to be confused with an ACTUAL airline safety manual.)

## Prohibited Items

**HORMONES**

**ANTIBIOTICS**

To ensure a pleasant dining experience, Chipotle refrains from chemical additions to our food.

Electronic devices are NOT prohibited because they don't interfere with the ordering process. They may, however, be annoying to those around you.

Cannot be used as a floatation device

## Moving Through the Line

## 1 Pre-Order Checklist

If you're in a group make sure to secure your order before helping a friend or child.

It's important to stay limber in line, your turn to order is approaching quickly. See helpful waiting positions at right.
